Academic League Tables 2018

Our children have achieved outstanding progress and attainment results over the past academic year. The progress data for the pupils who left our school at the end of Year 6 in July 2018 are as follows:

School name	Type of school	% of pupils meeting expected standard	Progress score & description			% of pupils achieving at a higher standard	Average score in reading	Average score in maths
			Reading	Writing	Maths			
Frampton Cotterell Church of England Primary School	Maintained School	85%	Well above average 3.4	Well above average 4.3	Well above average 4.5	23%	108	108

This data is taken from the following link ([https://www.compare-school-performance.service.gov.uk/schools-by-type?step=default&table=schools&ion=803&la-name=South Gloucestershire&geographic=la&for=primary](https://www.compare-school-performance.service.gov.uk/schools-by-type?step=default&table=schools&ion=803&la-name=South+Gloucestershire&geographic=la&for=primary))

The recently published data by the Department for Education and Gov.uk compares our school against all the other primary schools in South Glos. (110 schools). From these results, we can see how strongly FCCE performed in the last academic year. Some of the highlights from this includes Frampton CofE having:

- The highest combined progress scores for reading, writing and maths in South Glos.
- The 2nd highest progress scores for reading in South Glos.
- The 3rd highest progress scores for writing in South Glos.
- The highest progress scores for maths in South Glos.
- The 4th highest attainment scores for children achieving the required standards in reading, writing and maths in South Glos.
- The 6th highest percentage of children achieving 'Greater Depth' (higher standards) in their reading, writing and maths in South Glos.
- The 6th highest average scores for reading in South Glos.
- The 3rd highest average scores for maths in South Glos.

Becoming the best we can through faith, friendship and participation

We are very proud of our fabulous children, parents and staff. We all work incredibly hard to give our pupils the best start possible in life and I am pleased these results pay testament to everyone's efforts.
