10 March 2022

Dear parents and carers,

Following our recent Ofsted inspection on 1st and 2nd February 2022 we are delighted to share the results of the outcome with you.

We are really pleased to announce that the school continues to be judged as a **GOOD** school. The inspection report is very positive and some of the complimentary comments include:

- Frampton Cotterell CE Primary School is a happy and welcoming school
- Christian Values are at the heart of life in this strong community. These values motivate pupils to be polite and respectful.
- Pupils feel cared for, behave well and have positive relationships with staff
- Leaders are ambitious for all pupils at the school and develop an ambitious and interesting curriculum
- Reading is prioritised and pupils say they love reading
- The maths curriculum is well sequenced and pupils have a firm grasp of mathematical concepts
- Leadership for pupils with Special Educational Needs and/or Disabilities is a strength
- Pupils' personal development is strong and they are positive about clubs and 'enrichment' days
- Staff say unanimously that they are proud to work at Frampton
- Arrangements for safeguarding are effective

We are extremely proud of this result especially given the disruption over the last two years, and the changes in leadership we have had since the start of the year. As a school we are always looking for ways to improve and we will build on this positive report, and we are pleased that Ofsted identified the areas that we need to improve further we are already working on, and consequently we will be working hard to ensure that our pupils can draw on previous subject knowledge to develop an even deeper understanding.

This report is a validation of the hard work and professionalism of all the staff, the behaviour of our pupils, the challenge provided by our Governing Body and the support of you as parents and carers. The overwhelmingly positive (which even surprised the inspector!) results you provided on Parent View demonstrates exactly why we know Frampton Cotterell CE is a fantastic primary school.

We will continue to work together and strive to provide the best education and support for your children, ensuring FCCE remains a warm and welcoming school for all.

Yours sincerely,

Becoming the best we can through faith, friendship and participation
