PLEASE CAN YOU LET THE SCHOOL OFFICE KNOW IF YOUR CHILD IS UNABLE TO ATTEND A CLUB SESSION

During the winter months if the weather is particularly bad we will look to move clubs indoors where possible to the hall or a classroom. If it is classroom based the club leader will look to focus on activities linked to the club, e.g. designing a kit, player positions etc. This will be dependent on space and other clubs running. As a last resort we may need to cancel clubs and refunds will be issued if applicable.
