Our Christian Value this term is 'Thankfulness'

Welcome! It has been so lovely welcoming all of your children back into school, we have loved seeing them all. It has been great introducing our wonderful new reception children to life at Frampton as well. We hope the children have had a great start to their year.

Our School Vision and Values

As we begin this school year, we would like to remind everyone of our school vision and values, which are at the heart of everything we do: Our vision is to enable all members of our school community to become the best we can, by being an inclusive, vibrant, aspirational school. Our school is a place where all individuals are accepted, nurtured, encouraged and celebrated. Our vision is rooted in James Martin's (SJ) theology that life is about becoming our best selves, through an ongoing process of transformation. As a community we strive to love, learn and grow together, through our school values of thankfulness, hope, honesty, forgiveness, service and justice. We endeavour to 'think about each other and help each other to show love and do good deeds.' (Hebrews 10:24). As a school community, we will be continuing to explore what our vision means to us and how we can all become the best we can. Our value for this term is 'Thankfulness' and we will be exploring this throughout our Collective Worship and other school activities.

Attendance

As we begin the new school year, we'd like to remind all families about the importance of regular school attendance. Good attendance is not just about academic success. For children to feel part of a team they need to be present. Children with regular attendance get the very best out of our school offer and develop a sense of belonging as part of the school community. We are committed to making sure all pupils benefit from the full range of opportunities available at Frampton. Our expectation is that students arrive on time and attend school every day it is open, unless there is an unavoidable reason, such as illness. The bell rings at 8.40am and this is when children line up and go into class, ready to start the day. The register is taken at 8.45am and children arriving after this time need to register via the office. Children arriving after 9:05am are marked as an unauthorised absence. The gates close at 8.45am with the side gate by the office being the last to close, so as to allow parents/carers to exit the site. We thank all families for working in partnership with us to support good attendance and ensure the best possible outcomes for our children.

Parking and road safety

We'd like to remind all parents and carers about the importance of road safety. Please ensure that children walking to and from school are accompanied by an adult or walk with friends if older and permitted. We also ask all families to park considerately — please avoid blocking local residents' driveways and do not park on the zig-zag lines outside the school. Thank you for your continued support in helping to keep our school community safe.
